**An important Reminder about Covid 19:**

As we go into autumn, coughs and colds will start to appear. **The symptoms of Covid-19 and a cold are very similar, especially if you have been vaccinated, and lateral flow tests are not always accurate.**

To be on the safe side, if you have a cough or a cold, please don't come to church or to a meeting. Even if it is just a cold, we don't all want to catch it.

Thank you for helping to keep everyone safe.

### Covid 19 Guidelines for Coming to Church

There will be no change to our precautions and the winter season is on its way, with Covid still in our communities. We ask everyone to sanitise hands on arrival and to wear a face covering. Face coverings should be worn when entering the church, moving around (e.g. coming up to receive Communion), when leaving the building and while singing hymns. *This is unless you have a medical exemption or are under 11.* Face coverings can be removed while seated or may be kept on if you wish to. We will ensure that all who would like to, can be seated socially distanced in church. *Anne-Marie*

On Sundays we may register for **Trace and Test** on arrival by either scanning the QR code using the phone app, or you will be recorded on the sheet at the door. The details recorded are kept for 21 days, then securely disposed of.

If you have any questions or concerns, please contact Anne-Marie, 01621 819260, Christine Hall 07421 078981 [thurstableteamadmin@btinternet.com](mailto:thurstableteamadmin@btinternet.com) or contact the Churchwardens
