Please note: no more tuna please. Also, please ensure your items have a **2019 shelf life**, as most of the food will now be distributed from October onwards. The collection box and shopping list of items is at the back of the church at St Luke's. *Thank you for all donations received for vulnerable families & individuals in Tiptree.*

Are you able to help with occasional lifts to church? we have several ladies in Tolleshunt Knights who sometimes need a lift to church on a Sunday. It would be lovely to have a pool of drivers who could pick them up when our regular drivers are not available. If you would be willing to help, please see Revd Christine Gorringer. Thanks for your help.

Colchester Borough Council Planning Dept.

has refused planning permission for a wine bar on the site of the public toilets in Tiptree, due to the impact on the trees, which are protected.

St Luke's Car Park & Driveway replacement bollards have been made for the Church driveway, which match the new Front Entrance. Access to the front grassed area is now only permitted in exceptional circumstances. Work has been completed on the car park and three disabled parking bays have been marked out; please remember to observe these when parking. Together this has improved parking and enhanced the approach to the Church. Kind regards, *Clive, Ian & the Fabric Team.*
