News

Help for vulnerable families and individuals in Tiptree: the churches in Tiptree are now working with Colchester Borough Homes to provide help for the vulnerable in Tiptree who face a choice between paying rent and buying food. If we can provide emergency food, they can pay their rent and not lose their homes. Please can you help by buying something extra and putting it in the box at the back of St Luke's? We need items with a long shelf-life as the need will be greatest in the autumn and winter. Please pick up a shopping list, to see what is most useful.

Thank you, to Perrywood Nursery again for replanting the containers for the summer at St Luke's. If you can help at any time by watering these during the summer it will be much appreciated. Thank you, Clive.
